

**6th Annual International Conference on Language, Literature and Linguistics
(L3 2017)**

Title: A process of becoming: The interplay between language, literature and technology

Speaker: Assoc. Prof. Grace Oakley

Date: 5th - 6th June 2017

Introduction

Dr Grace Oakley will explore the interplay between language, literature and technology within a diversity of educational situations, from early childhood classrooms to cross-cultural digital storybook exchanges between Australia and China. What it means to become literate in our globalised, technology-infused world and the role of language, literature and technology in promoting intercultural competence and world literacies will be discussed with reference to examples from recent research.
